SPROUTS KID'S CLUB

Purpose: To introduce children to a variety of fresh, local produce while encouraging families to shop at the Washington Farmers' Market.

2016 Program Highlights:

Last year we hoped for 75 participants, but were blown away when 260 kids registered throughout the season. Club participants logged 1,161 total market visits and spent nearly \$2,000 in Sprouts money!

2017 Program Goals:

While we want to reach even more local children, the main focus in 2017 will shift to education. We hope to provide hands-on learning activities about nutrition/healthy lifestyles at least twice a month, and will feature a fruit or vegetable of the week with fun facts/recipes in our e-newsletter.

2017 SPONSORSHIP AGREEMENT

In exchange for the sum of \$250.00, which is due and payable by June 1, 2017, the Washington Area Chamber of Commerce / Washington Farmers' Market agrees to provide the following:
