

Tuesday,
APRIL 22

11:30 a.m. - 1:00 p.m.

Chamber Office - lower level
323 W Main Street, Washington, MO

THE POWER OF EMPLOYEE ENGAGEMENT

presented by *Mary Shofner,*
The Quality Coach

Are your employees truly engaged, or are they just going through the motions? Research shows that highly engaged teams are more productive, innovative, and committed to success—but fostering engagement requires more than a one-size-fits-all approach.

Join us for this one-hour interactive workshop where we'll explore:

- ✓ The science behind employee engagement and why it's critical to organizational success
- ✓ An introduction to Gallup's Q12 and the research-backed insights that drive engagement
- ✓ The business case for engagement—how it impacts performance, retention, and culture
- ✓ Best practices and strategies to create a more engaged and motivated workforce
- ✓ A strategy discussion to help you develop a customized approach to engagement in your organization

Cost: \$20 (includes lunch)

Please RSVP by Monday, April 21 to: hgiesike@washmo.org /
(636) 239-2715 x103 or follow QR Code for online registration
