**SEPTEMBER 23**

11:30 a.m. - 1:00 p.m.

Chamber Office - lower level  
323 W Main Street, Washington, MO

## **MULTIGENERATIONAL COMMUNICATION IN THE WORKPLACE**

presented by *Jenn Whitmer*

The Cross-Generational Jam: Communication through Friction to Fusion

You're always communicating—literally all the time. From the emoji you use to the shoes you choose. But what happens when even the words don't make sense, let alone the medium?

In this session, you'll discover the power of CLEAN communication to bridge generational gaps and turn miscommunication into collaboration. With research-backed strategies, you'll learn to lead a team where five generations work together seamlessly, leveraging the strengths of everyone. From those fresh Gen Z hires to seasoned Boomer executives.

You'll gain practical insights into different communication styles, how to adapt to them, and how to refine your own. The result? A workplace where ideas flow, connection fuels productivity, and communication creates clarity — all with a side of laughter.

Cost: \$20 (includes lunch)

Please RSVP by Monday, Sept. 22 to: [hgiesike@washmo.org](mailto:hgiesike@washmo.org) /  
(636) 239-2715 x103 or follow QR Code for online registration
