BUILDING UNSHAKEABLE CONFIDENCE IN LEADERSHIP

presented by Dr. Kasi Lacey

Confidence is the foundation of effective leadership, yet many leaders struggle with self-doubt and finding their authentic voice in high-pressure roles. In this talk, we'll explore what it takes to build unshakeable confidence in leadership, including:

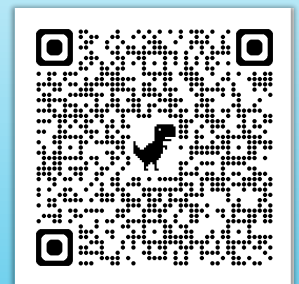

- Recognizing and addressing self-doubt and imposter syndrome.
- Leveraging emotional intelligence to lead with authenticity and impact.
- Developing actionable strategies to communicate with clarity and confidence.
- Cultivating a resilient mindset to navigate challenges and setbacks effectively.

Whether you're stepping into a leadership role or seeking to amplify your influence in your organization or community, this session will provide practical tools to lead with boldness, inspire others, and fully embrace your unique strengths.

Cost: \$20 (includes lunch)
