DELEGATE LIKE A BOSS!

presented by *Erin Joy*

Effective delegation skills are critical for business owners and executives to get the most out of their team. If you struggle with delegation because you don't feel comfortable asking for what you want or don't get the results you're looking for, this is the workshop for you. Whether you're asking the wrong person, asking the wrong way, or feel like you're going to lose control, we're going to get to the heart of your delegation troubles so you can learn to delegate like a pro and set both you and your team up for success.

Cost: \$20 (includes lunch)
